South Africa

Attention: Sandor Dowling

Subject: ICRI Award of Excellence

Dear Sandor,

This letter is to congratulate you on winning an Award of Excellence for the concrete repair project you submitted with Kryton International called the Goedehoop Collieries Block 7 Project.

We are having an awards ceremony at the International Concrete Repair Institute (ICRI) Fall Convention in Omaha, Nebraska on Thursday, November 8, 2018. We would like to invite a representative from Sanika CC to be present to accept the award. So if you or and any of your colleagues including:

- Sandor Dowling
- Paul Smit
- Colte Smit
- Tanika McColgan
- Or other Sanika CC Employee

...would like to join us to accept the award at the ceremony in Omaha, that would be great.

Congrats again and let us know if you can make the necessary arrangements.

With best regards,  
Brian MacNeil  
Vice Chair, ICRI Awards Committee
